**2024 QUEENSLAND MINING AWARDS FINALISTS**

**Note: finalists are announced in alphabetical order**

**Glencore Productivity Award**

| | |
|---|---|
| AAMG Technologies | Enhancing Remote Access Control with |
| sensors and automation | |
| iCutter Industries | PDC drill bit technology for efficiency and |
| sustainability | |
| MTI | BlastScout |

**QME Best New Product Award**

| | |
|---|---|
| Corehesion | Stone Dust Management System |
| Maven Greentech | AirX Robot |
| Stratalock | Stratalock Resin: Next step in ground |
| consolidation | |

**Blackwoods Collaboration Award**

| | |
|---|---|
| Coronado \| Bigmate \| PFi | Dragline Proximity Awareness System |
| Jet Group \| Mastermyne | Automated Cartridge Bolter |
| Mackellar \| Manabotix | Enhanced safety measures using Bund |
| Monitors | |

**Austmine Innovation (METS) Award**

| | |
|---|---|
| Hastings Deering | Working at Heights Platform |
| HE Parts | Turn Over Frame Innovation |
| Stratalock | Stratalock Resin: Next step in ground |
| consolidation | |

**Pirtek Safety Initiative Award**

| | |
|---|---|
| Anglo American | Tele-remote dozers on coal stockpiles |
| Bigmate | Dragline Proximity Detection System |
| Mader | In-Vehicle fleet safety |
| Peabody | LiDAR torpedo probe |

### National Group Community, Staff Engagement or EEO Initiative Award

Anglo American                                          Intersectional Trauma Informed Psychosocial
Management
